## **Cabinet Decree No (91) for the Year 2013**

### **Concerning**

### **Necessary Measures to Address Widespread Malnutrition in the Country**

The Cabinet reviewed the report presented by the Minister of Public Health and Population titled "Malnutrition Impedes Development and Addressing it is Everyone's Responsibility" and noted the field campaigns carried out by the MOPHP in this respect. The Cabinet decided the following:

- 1- The Minister of Public Health and Population should work to adopt a comprehensive national strategy for nutrition which involves all concerned sectors and which defines causes, responses and the relevant implementing agencies.
- 2- The Ministers of Finance, Planning and International Cooperation and Public Health are hereby requested to:
  - a. Take the necessary measures to incorporate the problem of malnutrition into government plans and programs for the coming period to ensure rolling back its prevalence leading to eventual elimination.
  - b. Increase the budget allocated for nutrition to ensure continuation of anti-malnutrition activities according to the national strategy referred to in paragraph (1) above.
- 3- This decree is effective on the date 9 April 2013 and shall expire by the enforcement of its provisions.
- 4- The decree is to be implemented through the appropriate management measures.
