PATH

Meeting objectives and Agenda

Objective

- Popularise both toolkits among priority users
- Help target users navigate the toolkits
- Encourage participants to further promote both toolkits

Agenda

- Welcome
- Overview of both toolkits:
  - Multi-sectoral **planning** for nutrition
  - Designing multi-stakeholder **platforms** for nutrition
- Q & A

Please use the chat box!
- **Introduce yourself**
- **Write your questions**

Toolkit "Designing Multi-Stakeholder Platforms for nutrition"

Overview

- Responds to need for TA on managing intersectoral coordination
  - Development led by Institute of Development Studies, UK

- Uses multiple sources of existing materials, including:
  - The MSP Guide from Wageningen University
  - FANTA's multi-sectoral nutrition toolkit for Uganda

- Guides process of creating or improving an MSP for Nutrition
  - 30 issue guides: definitions, explanations, practical tools and guides
  - 5 country case studies of countries

- Currently only in English, but translation into French possible

Navigate along 2 pathways - or just search

Topics	Key questions. How do I...
1. Introducing MSPs	1. Set up an MSP?
2. Understanding context	2. Set the objectives of an MSP?
3. Identifying and engaging stakeholders	3. Identify key stakeholders?
4. Establishing structure and process	4. Engage stakeholders?
5. Reviewing and improving	5. Make the MSP more effective?

Diving in...

Topics

- Identifying and engaging stakeholders

- Power in MSPs

- **How Net-Map works**

How do I...?

- Organize my MSP

- Decide on structure

- **What Network Design would be the Most Useful**
