	Pakistan	

Which means the
potential to reach

82,8 million
children

By focusing on the critical

1,000

day window of opportunity
to improve nutrition.

There are

100+

committed partners
accountable for
supporting national plans

All working together to drive

1 global
Movement

and unleash the potential of

millions

of healthier, smarter and
stronger children.

The SUN Movement Secretariat is supported by Canada, France, Germany, Ireland, the Netherlands, the United Kingdom and the European Union.
