Financing tracking and resource mobilisation

More than 95% of the allocations for nutrition programmes are from public finances. The national budget has introduced a separate budget line approved by Parliament, which is dedicated to nutrition. A total of 100 million Sri Lankan rupees (LKR) (approximately $0.7 million) were allocated for the 2015-2016 budget year. UN agencies are contributing to reduce the financial gaps and civil society organisations are monitoring progress and allocating resources to all ongoing programmes.
