
1. Where and when will the 2019 SUNGG be held?

3. I am on the invitation list, but I have not received my invitation letter.
   • If your name has been confirmed in the invitation list with the SUN Secretariat, you should have received a personal invitation letter from the SUN Global Gathering 2019 <sungg19@scalingupnutrition.org>. Please check your spam folder for misdirected invites.
   • Please also feel free to inquire at the above email address, so we can help locate your invitation letter.

4. Can you invite additional people?
   • Only names that have been put forward by the different focal points will have access to the registration system.
   • Additional country representatives will be placed on a waiting list and will receive invitations ONLY if space allows.

5. Where can I find the program?

10. **Where can we find hotel lists and rates for accommodation?**
    • Special rates have been negotiated by the SUN Movement Secretariat for SUNGG19 participants in different partner hotels. Rates are per room, per night, including VAT, for single occupancy, including breakfast and internet access. Please note that, in some cases, the star rating of each hotel may not necessarily be indicative of their quality. Note that you are responsible for making your own reservation in this registration platform, as soon as you receive it, and that the SUN Movement Secretariat cannot take responsibility for any hotel reservation, deposit or payment issue.

11. **Who can get an online visa or a visa-on-arrival?**
    • The visa issuance is on arrival at the Tribhuvan International Airport. However, if possible, we strongly recommend that participants apply online for a visa before traveling to Nepal to avoid delays upon entry, since November is Nepal’s peak tourist season.
    • A special visa procedure is required for nationals of the following countries: Afghanistan, Cameroon, Eswatini, Ethiopia, Ghana, Liberia, Nigeria, Somalia and Zimbabwe. If it has not been done yet, participants from these countries need to send their passports to the SUN Movement Secretariat Country Liaison Team for this information to be transferred to the Immigration Department of Nepal to allow participants from these countries to obtain a visa on arrival.
    • Participants from those countries who hold a UN Laissez Passer do not fall under this category and will be able to obtain a visa upon arrival at Tribhuvan International Airport.

12. **Will there be transportation provided in Kathmandu between the airport and hotels/venue?**
    • More information will be shared regarding transfers to and from the partner hotels and the 2019 SUN Movement Global Gathering venue (Hotel Yak & Yeti) in the coming weeks.
