How the SUN Movement Pooled Fund contributes to national and sub-national multi-sectoral nutrition plans development?

Ms. Gulmira Kozhobergenova  
Head, Alliance of Civil Society for Nutrition and Food Security in Kyrgyzstan

Sun-national level MSP in Naryn Province, Kyrgyzstan

# How Pooled Fund contributes to national multi-sectoral nutrition plans development?

**Result:** National multi-sectoral nutrition plan developed and approved.

## **Pooled Fund's Contribution:**

- Increasing capacity of local NGOs on right to food, advocacy and fundraising.
- Analysis of the draft Program for compliance with the criteria of a “good” program.
- Participation of local and national NGOs in consultations on development proposals to the nutrition plan.
- Engagement of Nutrition Champions and development of joint nutrition plan with Members of Parliament.

# How Pooled Fund contributes to sub-national multi-sectoral nutrition plans development?

**Result:** Two provinces have developed & approved sub-national multi-sectoral nutrition plans.

## **Pooled Fund's Contribution:**

- Obtaining evidence for focusing subnational plans on vulnerable communities.
- Establishment of two Multi-stakeholder platforms (MSPs) on nutrition and food security in two provinces.
- Development MSP working procedures.
- Development of the Memorandum of mutual cooperation between interested parties (members of Multi-stakeholder platforms on N&FS).
- Participation of vulnerable communities in the development of multilateral nutrition plans.
- Development of two subnational nutrition plans.

# Findings and Lessons Learned

- Frequent change of Government, which results in insufficient coordination at the highest level of leadership.
- Don't forget monitor the joint nutrition plan with members of the Parliament.
- The working groups decided to do province nutrition plans without a budget.
- Difficulties arose in understanding what province MSPs are and why they are needed at province level.
- Since 2020, it is necessary to monitor the implementation of nutrition plans and engage NGOs.
- Longer projects are needed to achieve larger sustainable results.

Ms. Beatrice Eluaka,  
Executive Secretary, Civil Society Scaling-Up Nutrition in Nigeria

CS-SUNN participating at Joint Annual Assessment 2019

# Project Background

The pooled fund grant seeks to promote the engagement of additional relevant actors in the implementation, monitoring, and evaluation of multi-sectoral and multi-stakeholder national plans for nutrition in Nigeria.

In Nigeria, the project is being implemented in six locations.

**Rivers – South-South**

**Gombe – North-East**

**Imo – South-East**

**Kwara – North-West**

**Oyo – South-West**

**FCT – North-Central**

# How Pooled Fund contributes to strengthening Sub-National SUN CSAs in Nigeria?

**Result:** Sub-national CSAs are established and operational in 6 states

## **Pooled Fund's contribution:**

- CS-SUNN built the capacities of 119 state level CSA platform members on budget advocacy at the subnational level.
- CS-SUNN held evidence-based advocacy engagements of key policy makers in the states on the need for improved funding for policies and plans and,
- Support state CSAs representatives at the subnational to participate and contribute to State Committee on Food and Nutrition meetings/programmes and,
- CS-SUNN CSA at the sub national level contribute to national nutrition progress report.

# How Pooled Fund contributes to domestication of the multi-sectoral nutrition plan in Nigeria?

**Result:** Multi-sectoral nutrition plan domesticated in 4 states/sub-national levels.

## **Pooled Fund's contribution:**

- CS-SUNN held advocacy engagements of key policy makers in the states on the need for improved funding for policies and plans.
- Also, advocacy engagements on revitalization of the State Committees on Food and Nutrition and,
- High level stakeholder meetings on the Multi-sectoral plan at the state level.

- 2019 General elections had an impact on project implementation especially at the subnational level, but also provided an opportunity for high-level advocacy.
- Weak SUN MSP & Govt. Focal Point coordination mechanism at the National and SUN MSP non-functional at the subnational level.
